

Coolum Sports Complex

Coolum | Sunshine Coast

Scope of Works

The vital upgrade of Coolum Sports Complex, due to the Sunshine Coast's population growth, included the construction of the sports field, supply and installation of turf, irrigation and associated drainage, construction of roads, car parking, plus supply and installation of sports field and landscaping elements.

The improvements created valuable community resources that continue to provide local residents with key sport, recreation, community and active living opportunities.

Specifically, the Scope of Works included:

- Bulk earthworks
- Stormwater
- Roads and carparks
- Playing field including subsurface drainage
- Irrigation system
- Sports lighting towers and carpark lights
- Playing surface
- Sports turf and astro turf pitch
- Landscaping
