For the avoidance of doubt, any failure of the Contractor to grant the Subcontractor an extension of time where the Subcontractor is so entitled will not cause the Date for Completion to be set at large.
- d) The Contractor may, at its absolute discretion unilaterally extend the Date for Completion for any reason. This clause is for the Contractor's benefit and the Contractor will not be required to exercise its discretion under this clause for the benefit of the Subcontractor.

- f) If the Subcontractor fails to complete the Works by the Date for Completion, the Subcontractor shall pay the Contractor liquidated damages calculated in accordance with the rate set out in Schedule 1 for each day after the Date for Completion that the Works remain incomplete. Both the Contractor and the Subcontractor agree that any liquidated damages payable by the Subcontractor are a genuine pre-estimate of the damages likely to be suffered by the Contractor if the Subcontractor fails to complete the Works by the Date for Completion.
